## Invitation for World AIDS Day 2017 program

Dear Principal/Dean,

17.11.2017

Greetings from ICMR-National AIDS Research Institute (ICMR-NARI) !

We are arranging an **Open house program** for visitors and students on **30<sup>th</sup> November 2017** for observing World AIDS Day at our Institute. On this day, ICMR-NARI, will be open to student and public between 10:30 a.m. to 4:30 p.m. Exhibits and models related to HIV biology and techniques will be displayed to the students to address and inspire their interest in science. Scientists would be available for direct interactions through panel discussions. An **open canvas** will be available to the students for sharing their innovative ideas for raising HIV/AIDS treatment awareness in the form of short messages or slogans. Since our laboratories are currently being renovated, they will not be open.

We are also organizing a **street play competition** for the students. The topics for the competition are "**Swaccha Bharat Abhiyan**" for students from 8<sup>th</sup> to 10<sup>th</sup> standard and "**Early HIV testing for Better Care**" for college going students.
