

01st September 2022

To,
Director,
ICMR-NARI
Pune

Subject: - Request to upload the details of Consortium evaluated kits at ICMR-NARI website

Dear Dr. Godbole,

We are presently displaying the Consortium monthly data at ICMR-NARI website as discussed with NACO earlier. This will help service labs to easily access the consortium batch evaluation reports so that accepted batches can be procured by the users without delay and well within expiry date.

Therefore it is requested to you kindly permit to display the Consortium monthly data at ICMR-NARI website.

Yours Sincerely,

MP Thakar

Dr. Madhuri Thakar
Scientist G, In-charge,
Consortium of NRLs for Kit Quality,
ICMR-National AIDS Research Institute, Pune

To Dr. Megha P. Desai
